Re: FiPay Version 4.1

Dear Mr. Spivak:

This letter is to inform AJB Software Design that its payment application FiPay Version 4.1, has received a grade of **PASS** from the PCI Security Standards Council (the "Council") Quality Assurance Team. Your PA-QSA has been notified of this grade as well. This letter does not represent an endorsement of the Application, but rather validation that the minimum documentary requirements have now been met.

Having achieved a passing grade, the Council will list the Application on its Validated Payment Application List once your invoice has been paid.

Please feel free to contact me with any questions you may have about this process.

Sincerely,

Lindsay De Santis
PA-DSS Program Manager
